Public Comments

Collen Miller will be taking over the directory creation. Former graphic design.

Concern regarding computer coverage for the teachers. Aware that the cost will be covered by multiple donors in addition to PTO

Concern regarding raffle interfering with raffle and affecting participation and what the funds supported. Advised that we were keeping this as a low cost raffle. Kids to participate and sell tickets to increase public awareness, parish awareness, and increase visibility.

Next Meeting

11/2/2020 0805 St. Francis Parish Hall

Meeting adjourned.
